2018考研复试面试自我介绍范文（13）

考研复试对考生来说是非常重要的一部分，它关系到考生是否能考研成功的关键。考研复试面试中用英语介绍自己，是考查考生综合运用能力，这部分内容是非常的重要，自我介绍是引导老师对考生个人素质的了解，可以给自己加分，所以自我介绍是非常关键的一部分。今天文都考研小编就为大家推荐几篇范文，供各位考生参考：

Good afternoon,my dear professors:

I'm glad to be here for your interview.First of all,I'd like to introduce myself to you.(套话)，My name is BY,and I will finish my undergraduate education in ** Medical College this June.My hometown is MAS,a beautiful city in AH province.It is famous as the industry of steel.But the environment is well.People often says it'sa flawer of Changjiang River.(介绍自己及自己的背景，重点突出，简洁明了) Everyone have a dream,and even when I was a young girl,my dream is to be a doctor,relief people from misery and turn to the healthy life.

Five years' college education give me a lot of things to learn,a lot of chances to try,ando lot of practices to inprove myself.(我个人认为这个排比句很好，但是不要说得像在背书)It teaches me not only what to study and how to think,but also to see the importance of practical ability.

I plan to focus my research in cariology and endodontics(龋病和牙髓病).And I hope I can have a systematic view of it and making a solid foundation for future profession after three years study here.

Besides above,I also have many interests in my spare time.I like swimming and playing piano.

Generally speaking,I am a hard working student especially do the things I love.I will try my best to finish it no matter how difficult it is.(介绍自己的优点，想怎么夸怎么夸)

OK,thank you for giving me the chance.I hope to see you again and soon.(结束语)

考研复试在即，考研复试面试是检验考生的英语综合运用能力，这部分内容很重要，但好在大家可以提前准备，时间充足，多演练演练。
